Dear Friday Night Live Coordinators and Staff,

The California Friday Night Live Partnership is excited to once again offer our counties the opportunity to implement FNL Mentoring.

Although funding has not yet been applied for or received by the CFNLP, we are working to ensure that there is no lapse in services for those already implementing mentoring between the 2008/2009 school year and the 2009/2010 school year. We also want to ensure that new FNL Mentoring Counties can launch successfully in a timely fashion.

All applications will be due on July 23, 2009. Each county, identified by the California Friday Night Live Collaborative, as a Member in Good Standing, may apply for Mentoring funds. Projects are targeted to commence on October 1, 2009. (Please refer to the RFA timeline listed below.)

Attached please find the RFA. If you have any questions please call or email Elizabeth LaMar. We look forward to the opportunity to support your efforts as you move forward to support the young people in your communities.

Best regards,
