

CLUB LIVE

YOUTH DEVELOPMENT SURVEY 2018

Congratulations on being a part of Club Live! To help us make your program great – and to learn about what you think about it – we are asking you to complete this survey.

All of your responses are confidential. Please do not write your name on the survey.

There may be questions that you are not sure how to answer: that's OK. Please take your time and try to answer every question in the survey the best that you can. There are no right or wrong answers. Feel free to ask program staff if there is a question that you don't understand. If you just don't understand a question or can't think of a response, you can leave it blank. Please mark only one answer (from Strongly Disagree to Strongly Agree) for each question.

The following term is used in this survey. We have provided you with a definition to help you answer those questions.

Community: Community is defined broadly to include the areas where you live, go to school and/or spend time in. Examples of community can include your school, church group, social group, neighborhood, town or city.

Thanks again for your help!
