The California Friday Night Live Collaborative (CFNLC)

is defined as the body of County Friday Night Live program coordinators; one from each County.

Each of the six regions of the CFNLC selects a representative to be on the Leadership Team.

The Leadership Team addresses areas of common concern, as well as provides support for the needs of program coordinators and staff. Additionally, this team works together to gather input from their region and provide information to the CFNLP to support the FNL field.

All of these efforts combine in a unified commitment to the mission and principles of Friday Night Live.
